

DV-35-MB

The MaxVac Dura DV-35-MB is a single motor vacuum. It has 2000watt power take off with auto run and filter clean. The vacuum has wet and dry capability and with a 35ltr drum it is useful in many scenarios. The vacuum has a manual filter clean button as well as it cleaning in trigger rest time.

The vacuum is fitted with metal castors with non-mark wheels meaning it can be used on a variety of surfaces. The drum is extremely tough and can withstand the toughest of treatment, the motor housing is also very tough and can withstand impact.

ACCESSORIES
